

Group Project: Analysis on Internet Usage

Ruizhe Lu

STA130 Fall 2018

How to measure internet usage?

In our study, we determine the internet usage in a country by:

- ▶ Percentage of internet user in population

Internet usage: formal definition

Data Source

- ▶ CIA World Factbook 2017

Internet Usage on Democracy: Definition

How do measure democracy?

Here we use the democracy index developed by the Economist Intelligence Unit. In our study, the democracy is measured by the score in the index.

After data wrangling, the data becomes tidy.

Internet usage: formal definition

Data Source

- ▶ CIA World Factbook 2017
 - ▶ Education Expenditures
